# MB PLOUGH

MINI / HEAVY DUTY SERIES

## SALIENT FEATURES

- The plough is made from boron steel body
- Height adjustable drawbar
- Adjustment for working depth
- Reliable turnover mechanism
- Overload safety protection

# MINI / HEAVY DUTY SERIES

MB Plough used for initial soil preparation for sowing seed or planting. It is generally used for deep tillage of land, to help turn over the upper layer of the soil, bringing fresh nutrients to the surface, while burying weeds and remains of previous crop. It also aerates the soil, allows it to hold moisture better and is tough to withstand heavy loads.

## TECHNICAL SPECIFICATIONS
